

Legal Requirements & Permissions for WhatsApp + Email Integrated Printing Shop SaaS (India)

Overview

This document outlines the recommended legal pages, permissions, user consents, and compliance requirements for a printing shop SaaS platform that accepts files through WhatsApp and email, downloads media files, routes them to printing software, and automatically deletes files after 24 hours.

1. Mandatory Website Legal Pages

Privacy Policy: Explain what data is collected (phone numbers, email addresses, uploaded files, login data, IP addresses), why it is collected, how it is processed, retention periods, user rights, and contact details. **Terms & Conditions:** Define user responsibilities, prohibited content, payment terms, service limitations, and liability limitations. **Refund Policy:** Describe subscription refunds, cancellations, and failed print-job handling. **Contact Us Page:** Include company contact information and support channels. **Data Deletion Policy:** Explain automatic deletion after 24 hours and account deletion procedures.

2. Signup Consent Requirements

Users should explicitly agree to: • Terms & Conditions • Privacy Policy • Temporary processing and storage of uploaded files for printing purposes

3. Desktop Software Permissions

Storage Access: Temporary download and storage of files. **Printer Access:** Detection and management of connected printers. **Internet Access:** Receiving jobs and synchronizing status with the cloud platform.

4. End-Customer Consent

When customers submit files via WhatsApp, email, website, or QR code, they should be informed that files will be temporarily processed, stored, and printed by the selected print shop.

5. WhatsApp Compliance

If using the WhatsApp Business Platform, publicly accessible Privacy Policy and Terms pages should disclose media processing, temporary storage, and automatic deletion practices.

6. Email Processing Disclosure

Privacy documentation should explain that documents received via integrated email services are processed for printing and deleted according to the retention schedule.

7. Content Acceptance Policy

Users must not upload: • Illegal content • Copyright-infringing material • Malware or harmful files • Obscene or prohibited content • Content violating privacy rights Users should confirm they have all necessary rights to upload and print submitted content.

8. Printing Shop Disclaimer

The platform acts as a technology provider facilitating document transmission and print workflow automation. The print shop remains responsible for reviewing and printing submitted documents.

9. Security & Trust Page

Recommended disclosures: • HTTPS encryption • Secure file transfer • Automatic deletion after 24 hours • Access controls • Audit logging where applicable

Recommended Enterprise Additions

For scaling and enterprise customers: • Data Processing Agreement (DPA) • DPDP Act consent notice • Internal data handling procedures • Incident response process • Vendor and subcontractor disclosures

Minimum Launch Checklist

Website: ✓ Privacy Policy ✓ Terms & Conditions ✓ Refund Policy ✓ Contact Us ✓ Data Deletion Policy
